DR. FRANCIS C.
MONTGOMERY

Francis C. Montgomery was born July 7, 1892, at Heber City, Utah, son of Livingston Montgomery and Amelia Ann Clegg Montgomery. He completed the eighth grade at the old Central School, when Attawall Woolton was county superintendent. D. A. Broadbent was principal, and B. A. Fowler was teacher. A very close and thoroughly inspected examination was the order of the day for that graduation.

He was listed in Wasatch County's first regular accredited four-year graduating class

of Wasatch High School in the year 1912. Dr. Montgomery received a normal certificate from the University of Utah and taught school in Heber City two years. He married Dona Murdock, daughter of Joseph A. and Martha Fortie Murdock. Clayton and Dona had the following children: Elaine Montgomery (Jensen), Frances Montgomery (Cannon), Dr. Jay Montgomery, Monte Montgomery (Mack), Annette Montgomery (Bourne), and Dr. Steve Montgomery.

Dr. Montgomery received his doctor of dental surgery degree from the University of Southern California in 1917. He has practiced dentistry since that time at Heber City, except time out for an LDS mission to the Northern States and for army service. He was a private in the Medical Enlisted Reserve Corps in World War I, and served four years as a major and lieutenant colonel in World War II. He is now a retired colonel in the army of the United States. He is a member of the Central Utah Dental Assn., the Utah State Dental Assn. and the American Dental Assn. For his service to fellow dentists and by aiding the progress of dentistry in general through his teaching efforts in universities and dental seminars his name has been selected for inclusion in editions of Who's Who in American Dentistry. The doctor is a member of the International Pierre Fauchard Academy.
